Bear Viewing Alaska will take you on the adventure of a lifetime as you get up close and personal with wild coastal brown bears weighing over half a ton. Your seven to eight hour excursion will immerse you in the Alaskan wilderness where you'll be surrounded by glaciers, volcanoes, wildlife, and endless mountain peaks as far as the eye can see. There are few tours in Alaska where you can see humpback whales, orcas, and brown bears all in a single day, which is why our tours are truly unique. If you're visiting Alaska, what are you waiting for? We cater to travelers staying in Homer for the day, week, or the entire summer season. Bear viewing in Chinitna Bay is great throughout the entire season, so contact us today and book your tour!
