

Mr. Mister - High Pressure Misting System Installation Outdoor

16772 W Bell Rd #110-450
Surprise, AZ
85374
USA

Telefon: 6233638292

The RIGHT WAY - Utilizing a 1000psi pump will make the water droplets so small that by the time they hit your skin they turn from liquid to their gas state. Keeping you from getting wet, and changing the ambient temperature in the surrounding area.
