Okružena zelenom vegetacijom borove šume, uz miris soli koji donose blagi vjetrovi sa obližnjih plaža-najpopularnijih na Jadranu, na plodnoj ravnici u podnožju masivnih planina, čeka vas hotel Aruba Budva. Hotel Aruba - Budva Crna Gora je vaša stanica sa koje idete dalje, u stotine pravaca, da istražujete hiljade malih čuda, a sve to, uz našu blagonaklonost. Baš kao i Aruba u Karipskom moru, naš Hotel Aruba Budva je obasjana suncem više od 270 dana godišnje, uz nerjetke kaktuse, agave, palme i nedaleko od izuzetnih pjenušavih i pjeskovitih plaža. Featuring free bike rental, the quietly located Aruba Hotel features an outdoor pool, tennis court and a small supermarket. A marked area with free deck chairs and parasols is reserved for guests of the hotel on Jaz Beach. Free Wi-Fi is offered on site. All rooms are air-conditioned and soundproofed, offering a safe, work desk and minibar. The bathrooms come with a bathrobe, slippers and toiletries. Hotel Aruba's restaurant serves traditional dishes from Montenegro. Jaz Beach, where Madonna and Rolling Stones concerts were held, is 2 km away and can be reached via bike trail from the hotel. Entrance and parking on the beach is free of charge for guests of the Aruba. Guests can also visit the beaches of Ploce or Trsteno. The airport of Tivat is 13 km away. On-site parking is available for free. Pored vizuelnog doživljaja vi razmišljate i o tom komadiću legende koji ste dobili. Inspiriše vas tišina lokalnog mjesta a uzbuđuje vas posvećenost koja vas je zatekla.
